Me kids said Da, just tell us one more time  
**F** **C** **G**  
About when you were young and in your prime  
**C** **F** **Em**  
And the way that you met Ma, and all the things you saw  
**Dm** **G**  
Tell us 'bout the things you used to do  
**C** **G** **C** **C7**  
So I closed my eyes and rolled the years away  
**F** **C** **G**  
Everything's the same as yesterday  
**C** **F** **Em**  
How could I forget, the summer when we met  
**F** **G** **C**  
In Dublin town in 1962.

All our days were sunny, all our skies were blue  
**F** **G** **C**  
In Dublin town in 1962.

We climbed the hill of Howth and down again  
We walked home from the Pillar in the rain  
We courted in the park, where the lights glowed in the dark  
We danced in Cleary's and the Metropole till two  
We crossed the Ha'penny bridge at evening tide  
It felt so good to have you by my side  
We watched the mailboats sail  
Paperboys cried Herald or Mail  
In Dublin town in 1962.

**Like many more we kissed it all goodbye  
We sailed away to give our luck a try  
In the land across the sea, that's been good to you and me  
Where our children played like we once used to do  
Me kids said Da that's really quite a tale  
We know you have the spirit of the Gael  
And we have no regrets, we're very glad you met  
In Dublin town in 1962.**

**All our days were sunny, all our skies were blue  
In Dublin town in 1962.**
