

Missing You (Dm)

F C G Dm F C Am
Oh I'm missing you, I'd give all for the price of a flight
F C G Dm F C G
Oh I'm missing you, under Piccadilly's neon

Dm G Am
In nineteen hundred and eighty six
Dm
There's not much for a chippie but swinging a pick
G Am
And you can't live on love, on love alone
Dm
So you sail cross the ocean, away cross the foam
G Am
To where you're a Paddy, a Biddy or a Mick
Dm
Good for nothing but stacking the brick
G Am
Your best mate's a spade and he carries a hod
Dm
Two work horses heavily shod

(Chorus)

Who did you murder, are you a spy ?
I'm just fond of a drink helps me laugh, helps me cry
So I just drink red biddy for a permanent high
And I'll laugh a lot less and I'll cry till I die

(Chorus)

All you young people now take my advice
Before crossing the ocean you'd better think twice
Cause you can't live without love, without love alone
The proof is round London in the nobody zone
Where the summer is fine, but the winter's a fridge
Wrapped up in old cardboard under Charing Cross
Bridge
And they never go home now because of the shame
Of the misfit's reflection in a shop window pane.

(Chorus)
